BLACKROCK

BlackRock is trusted to manage more money than any other investment firm*, and their business is investing on behalf of their clients, from large institutions to the parents and grandparents, the doctors and teachers who entrust their savings to them.

Their promise is to offer insight about what to do with client's money and the products and services that can help them plan for a better financial future.

That's why companies, institutions and global governments come to them for help meeting their biggest financial challenges.

* Based on \$4.72 trillion assets under management as of 6/30/15.

This event is brought to you free of charge through the partnership of the Barberton Community Foundation and Raymond James Financial Services, Inc
