The Tuscora Park Health & Wellness Foundation (TPHWF) was created in 1996 via the merger of the original Barberton Citizens Hospital Foundation and the Barberton Citizens Hospital Auxiliary, which had long histories of improving the quality of health care in our area. TPHWF is a private and independent philanthropic organization that provides grants to charitable organizations that share our mission to provide health and wellness opportunities for citizens of Barberton and surrounding communities.

The Barberton Community Foundation has partnered with the Tuscora Park Health & Wellness Foundation and is responsible for its administration. For more information visit www.barbertoncf.org/tphwf.
