

## JANUARY 23-27<sup>TH</sup>

This year's Barberton DECA community project will be a week of giving for 5 Barberton nonprofits with the goal of raising \$500 and having 500 people participate to work together to better our community. Proceeds will be split between the organizations served and the Youth Philanthropy fund at the Barberton Community Foundation.

If you choose to donate or volunteer, please go to the Barberton DECA Facebook page or you can also go to <https://www.gofundme.com/take-5-inside>

If you have any questions, you can email one of the project leaders: [taylorulichney31@gmail.com](mailto:taylorulichney31@gmail.com) or [rab184@zips.uakron.com](mailto:rab184@zips.uakron.com). You can also call the Barberton Community Foundation and ask for Debby Rolland at (330)-745-5995.
