Under what area of strategic focus of the Foundation does this project align?

 Education and Economic/Workforce Development Health and Wellness Arts and Community

Please explain how this project aligns with the selected area of strategic focus:

Under what area of strategic granting of the Foundation does this project align:

(This does not need to be filled out for a small grant request)

- (1) Responsive** - defined as a response to a nonprofit or community's needs, and led by the nonprofit or community members. The project will have a defined short-term life cycle with simple quantitative and qualitative outputs.

- (2) Strategic Collaboration** - defined as working with the Foundation and other partners to launch programs that maximize community impact. The project is a longer effort, focused on improving or coordinating programs that maximize community impact. The project scope may have limited board and higher staff involvement. An evaluation of quantitative and qualitative results is expected.

- (3) Foundation Facilitated Initiative** - defined as facilitated and/or initiated by the Foundation for continual development of community driven initiatives that support transformational change. There is high board and staff involvement. The project scope is a long-term process, with a formal evaluation of quantitative and qualitative results.

Please explain how this project aligns with the selected strategic grant making category:

Please list any other collaborators on this project:

Project Objectives and Measurement of Results
