General Guidelines:

- Support is awarded for one year at a time.
- Support for any one program will be for a maximum of three years, although exceptions may be made by the Board.
- New projects, with a plan for continuation beyond the Foundation's support are of interest to the Foundation.
- Projects should demonstrate a direct benefit to the person served.
- Requests should be between \$2,000 and \$15,000; however, larger requests, potentially multi-year, may be considered.
- Funding preference is given to activities within southern Summit County.
- Capital campaigns may be considered.
- Semi-annual reports concerning budget, personnel, and program developments will be completed and returned to the Foundation as stated in the grant agreement.
- All grants expire within one (1) year of grant agreement date. Any requests for deadline extensions or changes to the project in any way must be made in writing to the Foundation's Chair, submitted through Barberton Community Foundation's director of community impact, thirty (30) days before the annual evaluation is due. All correspondence must note the program name and grant number.
- All grant agreements must be signed and returned to the Foundation within thirty (30) days of the grant agreement date. Any agreement not received within the thirty days will be deemed a termination of the grant and the grantee will be notified accordingly.
- The tax-exempt status verified in the proposal must be valid; any changes in that status, or changes in the organization that could lead to a change in that status, must be reported to the Tuscora Park Health and Wellness Foundation immediately.
- The organization must keep and maintain records of expenditures adequate to check use of the grant readily. A final report must be submitted to the Foundation per the grant agreement.
- If the grant is intended to support a specific project or to provide general support for a specific period, any portion of the grant unexpended at the completion of the project or at the end of the period must be returned immediately to the Foundation.
- The organization must repay, upon demand, to the Tuscora Park Health and Wellness Foundation the amount of the grant if any condition of the contract is not upheld.
- The organization must send to the Foundation copies of any printed publicity regarding the awarding of any grant; the organization may, if it chooses, refer to the Tuscora Park Health and Wellness Foundation's support in any such publicity.
